A Day at the Beach 🏖️

It was a sunny Saturday morning. Emma and her brother Tom went to the beach with their mum and dad. They packed a big red bag with towels, sunscreen, and snacks.

When they arrived at the beach, Emma built a sandcastle. She used a blue bucket and a yellow spade. Tom helped her find shells to decorate the castle. They found five pretty shells.

After building the sandcastle, the children went for a swim in the sea. The water was cold but refreshing. Mum and Dad sat on the sand and watched them play.

At lunchtime, they ate sandwiches and had cold drinks. Then they played beach cricket together. Everyone had a wonderful day at the beach!
