Describing Words and Adjectives ✨

Name: _____ Date: _____

Remember: Adjectives are describing words that tell us more about nouns (people, places, or things). They make our writing more interesting!

Part 1: Add an adjective to each sentence

Choose a describing word to make each sentence better.

1. The _____ dog played in the park.
2. I saw a _____ butterfly in the garden.
3. We ate _____ apples for lunch.
4. The _____ cat slept on the couch.
5. My teacher has a _____ smile.

Part 2: Add TWO adjectives to each sentence

Make these sentences even more interesting by adding two describing words!

1. The _____, _____ bear walked through the forest.
2. I have a _____, _____ bedroom.
3. We swam in the _____, _____ water.
4. She wore a _____, _____ dress.

Part 3: Write your own sentence

Write a sentence about your favourite animal. Use at least TWO adjectives!
